

IMPORTANT NOTICE: FIRE PROHIBITION PERIOD 2024

In terms of Section 5(1)(a) of the **National Veldfire Act (Act 101 of 1998, as amended – NVA)**, an FPA is to develop a **Veldfire Management Strategy** for its area.

Section 8.2. of the **Eastern Cape Umbrella Fire Protection Association (ECUFPA) Veldfire Management Strategy** states that **ECUFPA** will “implement policies and systems to enhance integrated fire management principles” which includes the promulgation of annual fire prohibition periods as per fire risk and district.

Therefore, **ECUFPA** advises that, in terms of section 8.2.2 (“Promulgation of an annual fire prohibition periods as per fire risk and district”) of its Veldfire Management Strategy, **no burning or “fire in the open air” as defined in the NVA is permitted** in the winter fire season/grassland areas of the Eastern Cape Province which includes the following districts:

Alfred Nzo, Amathole, Chris Hani, Joe Gqabi, O.R Tambo District Municipalities & Buffalo City Metropolitan Municipality.

For the period of: 01 August 2024 – 31 October 2024

Burning will be allowed under the following strict conditions:

- The Fire Protection Association (FPA) will approve burning operations in accordance with their respective burning permit system. In the absence of the FPA, the Chief Fire Officers of the Metro's/Local/District Municipality will approve burning operations in accordance with Community Fire Safety By-Laws.
- Landowners and Traditional Leaders must apply a minimum of seven (7) days prior to burning operations for burning pre-approval.
- Final approval for burning operations must be obtained on the day of the proposed burning operation.
- Section 12(5) of the (NVA) states that all bordering landowners must be informed of burning operations.
- The NVA places a duty on all landowners to have all precautions in place to prevent a veld fire from spreading and/or causing damage.
