

EXERCISE KOPANELO 2018 PARTICIPATION APPLICATION

Exercise Description

Kopanelo 2018 is a real time all hazard incident training simulation designed to give participants practical experience in ICS implementation during an expanding incident. The dual tier exercise will consist of an Incident Command Team (ICT) at an Incident Command Post (ICP) who will be supported by a fully staffed and functional real-world EOC / JOC situated in Bloemfontein.

The Exercise Coordination Team consists of experienced US Emergency management personnel from various agencies and local ICS instructors.

Exercise Dates: 26 & 27 March 2018 (2 x 1 Days)
from 09:00 to 16:30

Venue: IMT Operations Rooipoort Training Centre
Venue: EOC/JOC UFS DiMTEC Bloem Campus

Fees Include:

- All exercise materials and equipment
- Participation certificate and commemorative T-shirt
- Beverages, and lunch during the exercise

Fees Exclude:

- Accommodation (unless requested and specified)
- Transport to and from the venue/s

Participation Requirements

- Only persons who has completed ICS training up to intermediate level (I100-I300) may participate in the exercise, persons who have not attended the required training may apply to attend as an observer.
- Potential participants must be able to provide proof of ICS training when registering.

Please Fully Complete the Application in Print (Non-Cursive)
