

General Meeting: Formation of the Sarah Baartman East Fire Protection Association

To All interested & Affected Landowners, Persons & Stakeholders

You are hereby cordially invited to attend a General Meeting for the Formation of the *Sarah Baartman East Fire Protection Association – SBE FPA* (as per the *National Veld & Forest Fire Act, Act 101 of 1998*).

Numerous Fire Protection Associations (FPAs) within the proposed boundary, together with other landowners and stakeholders (please refer to map below), have indicated their interest and recognized the need to form a Larger FPA, so that a well-functioning and compliant (in terms of *Act 101 of 1998*) FPA can be formed to assist all stakeholders with an Integrated Fire Management approach to wild fire prevention and suppression strategies.

The meeting aims, amongst other things, to obtain approval for the formation of the newly proposed *SBE FPA* and the proposed boundaries and to set up interim measures for the way forward.

Date & Time: 21 July 2016 at 11h00

Venue: Alexandria Golf Club, Alexandria (On the R72 towards Port Elizabeth)
